For current label pricing and order shipping charge visit www.suma.org or contact Laurie Bryant at 306-525-3727. Product must be purchased in multiples of full units as indicated i.e. 25 per unit order. Shipping and handling charge is per order, not based on quantity ordered – order in quantity and save on the shipping charge.

Effective April 2003, Canada Post began levying a fuel surcharge on all products. The current surcharge is reflected in our pricing.

Labels purchased in quantity NOW are pre-paid and will not be affected by price increases through Canada Post.

Labels can be used for shipping any items within the total package weight and/or total package cubing range indicated on the top right hand corner of the label. Please ensure that all items meet these requirements prior to shipping.
