MAKE AN IMPACT WITH

PREMIUM ADVERTISING OPPORTUNITIES

INSERTS

Inserts deliver a highly targeted audience at a fraction of the cost of direct mail. An insert captures the attention of readers and affords you the added flexibility of producing a piece on unique paper stock and of a custom size – from postcard to poster. Inserts may be bound in or tipped (glued) into the magazine. Pricing varies accordingly.

POLYBAGGED INSERTS

Capture the attention of our readers before they even open the cover by including your unique marketing piece on the outside of the magazine within a clear polybag. The options are many – from brochures to posters, catalogs to mouse pads/DVDs and more. This gives you the freedom to include a creative marketing piece that might not otherwise fit in the magazine. Pricing varies accordingly.

BELLYBANDS

A bellyband is a band of paper with your message on it that is wrapped around the magazine. Readers will see your piece as it will have to be removed before they can read their issue. The bellyband can contain your message on both sides of the piece. Pricing varies accordingly.

BELLYBAND

PREMIUM GATEFOLDS

Maximize the impact of your message with a three-page gatefold, which is a two-page spread advertisement that opens up from the inside front cover (it can also be purchased for the back cover). It includes the inside front (or back) cover, thus allowing three full pages of advertising.

INTERACTIVE EDITION available online

With print and electronic communication operating hand-in-hand you can take advantage of the fact that *Urban Voice* is also available online in a highly interactive format.

Mobile, iPad, iPhone versions included!

1. **A realistic reading experience** – This digital edition looks and feels like a real book: flip-through pages, the sounds of turning pages, and even shading along the spine all enhance your reading experience. This is the world's first full html5 solution on the market giving you the same interactive experience as the flash version. In addition to the book layout, you can also select a presentation view that presents single pages rather than the traditional double page layout.
2. **Mobile, iPad, iPhone compatibility** – The html5 resizes the publication automatically so that you can view the magazine on most mobile devices.
3. **eReader output** – The eReader output option allows you to download 'eBook' files so that you can read the magazine on the growing number of eReaders such as Kindle, Nook and iBooks.
4. **Thumbnail view** – You can select to show a thumbnail-style navigation panel that allows you to view the entire publication at once.
5. **A share feature** – You can share the digital publication with friends and colleagues via social networks, including Facebook and Twitter, or via email or google.
6. Active hyper-links connect you with all websites and emails contained in the publication.
7. Active links connect you to specific stories from the front cover and contents page.
8. Active links connect you to advertiser websites from their ads and the ad index.
9. Searchable and zoomable content allows you to search the entire issue for specific words, phrases, subjects, etc.
10. You can make *Urban Voice's* content even more valuable by adding your own personal notes and bookmarks throughout each issue.
