2017 Regional Meetings

To Whom it May Concern:

It is my pleasure to announce that the Saskatchewan Urban Municipalities Association will be touring the province for seven Regional Meetings from September 26 to October 4, 2017. I invite your organization to be the sponsor for these meetings that will bring together elected officials and administrators from all regions in the province.

SUMA is proud to represent Saskatchewan hometowns and is focused on providing valuable educational opportunities to our members through workshops, meetings, summits, and the annual convention. Municipal administration and elected officials from all seven regions have been encouraged to join us as we talk about what SUMA has been doing for them and discuss common issues in the region.

Some key facts about SUMA and Saskatchewan hometowns that you may find useful:

1. SUMA represents 443 urban governments in Saskatchewan—16 cities, 149 towns, 232 villages, 33 resort villages, and 14 northern municipalities.
2. SUMA members represent nearly 80 per cent of Saskatchewan’s population.
3. Urban governments spend more than $1.2 billion every year to provide infrastructure, programs and services to grow our economy.
4. Urban expenditures are wide-ranging, covering nearly every type of good and service.

Please review the enclosed Marketing Opportunities package. Sponsorship opportunities will be allocated on a first-come, first-serve basis. For additional information, you can contact Brenda Zimmerman at 306-525-4383, or by email at convention@suma.org.

Sincerely,

Gordon Barnhart, C.M., S.O.M., PhD
