Connect with Broadband Leaders at CRRBC Conference & Expo 2026

Reliable broadband is essential to supporting economic growth, public services, and quality of life in communities across Saskatchewan. The **Canadian Rural and Remote Broadband Community (CRRBC) Conference will be held in Saskatoon on November 2-3, 2026**, bringing together municipal leaders, government representatives, internet service providers, and industry experts to discuss solutions for advancing connectivity in rural, remote, and Indigenous communities.

The event is being supported by the Saskatchewan Broadband Action Committee (SBAC), a cross-sector group co-chaired by SUMA CEO Jean-Marc Nadeau and SARM Executive Director Laurel Feltin and focused on achieving broadband infrastructure parity across Saskatchewan.

Registration is open until October 23.

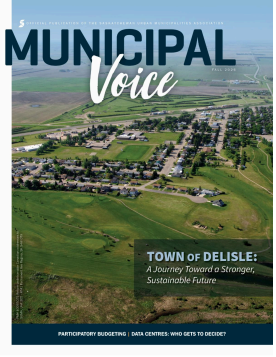
Municipal Voice: Fall 2026 Issue Now Available

The Fall 2026 issue of SUMA's magazine ***Municipal Voice*** is hot off the press! Print copies should be in our members' mailboxes, or you can read the digital version.

This issue features articles on data centres in Saskatchewan, regional cooperation, the SUMA Golf Tournament, employee retention, participatory budgeting, and more. Plus, read about the Town of



Delisle's first ever strategic plan!

Share the News!

Is your entire council receiving *Municipal Update* emails? We encourage mayors, councillors, and administrators to **individually sign up to our newsletter** so our updates make it straight to your inbox. Please share this email with your colleagues and encourage them to sign up today!

Sign Up for Email Updates from SUMA

Reminder: Access to SUMA Member Portal

The **SUMA Member Portal** hosts valuable resources for members including meeting recordings, webinars, and more.

Each municipality has one shared login for the Member Portal that should be distributed to all staff and members of council. Please contact your Chief Administrative Officer for access. We encourage you to revisit or share previous webinars, Board and Caucus meeting minutes, and other relevant information with other staff or elected officials.

If you are unsure of your login information, please contact communications2@suma.org for assistance.

Advocacy Update

SUMA Takes Local Priorities to Ottawa

SUMA joined Minister of Government Relations Eric Schmalz and municipal leaders in Ottawa during the second week of October to advocate for the priorities of Saskatchewan's hometowns. The delegation met with a range of federal representatives and stakeholders, including:

- FCM President Tim Tierney
- Build Canada Homes CEO Ana Bailão
- Senators David Arnot, Marty Klyne, and Tracy Muggli
- Parliamentary Secretary Kody Blois
- Secretary of State for Rural Development the Honourable Buckley Belanger
- Minister responsible for Prairies Economic Development Canada the Honourable Eleanor Olszewski, and
- Parliamentary Secretary Jennifer McKelvie.

Discussions focused on strengthening partnerships between all orders of government and advancing solutions to key municipal challenges. Municipal leaders emphasized the need for predictable infrastructure funding to support growth, renew aging assets, and ensure communities can continue delivering essential services. The delegation additionally highlighted the impacts of tariff-related economic pressures and the importance of policies that help municipalities maximize infrastructure investments.

Housing and homelessness were also key priorities. Municipal leaders advocated for collaborative approaches that increase housing supply, improve affordability, and address the growing pressures facing communities across Saskatchewan.

In addition to participating in delegation meetings, SUMA President Randy Goulden and CEO Jean-Marc Nadeau met with members of the Conservative caucus and representatives from the Prime Minister's Office. These discussions provided an opportunity to further advance municipal priorities and strengthen relationships with federal decision-makers.

The advocacy mission reinforced the importance of Saskatchewan municipalities speaking with a unified voice and helped build momentum for continued collaboration in support of strong, resilient, and growing communities across the province.

Advocacy on Urban Highway Connector Program

SUMA recently submitted a letter to the Minister of Highways, the Honourable Kim Gartner, regarding the Urban Highway Connector Program (UHCP). SUMA is asking for increased funding to the UHCP to ensure the program meets the growing needs of Saskatchewan's cities and requesting further engagement on the program.

Read the letter here.

Ride-Sharing Services in Municipalities

SUMA is starting to hear from more municipalities interested in exploring the allowance of ride-sharing services (Uber, Lyft, etc.) within their jurisdiction. However, many communities are experiencing challenges entering into licensing agreements with such services, often hearing of their desire for a provincial-wide agreement for all municipalities. SUMA has been working with SGI to find a way forward that allows municipalities interested in allowing ride-sharing services to do so. SGI has indicated that consultation with municipalities is planned, and has committed to work with SUMA to advertise those opportunities via our communication channels.

If your community has interest in ride-sharing services, or has any information you think would be helpful to share, please contact Dustin Austman, Advocacy Advisor, at 306-525-4321 or advocacy3@suma.org.

Share Your Experience with Airport Runway Extensions

SUMA is looking to hear from communities with airports that have been in contact with officials from the Ministry of Highways and/or Ministry of SaskBuilds and Procurement in regards to the upgrading of the air ambulance fleet. There have been concerns that upgrading to larger airplanes may require extensions of some runways across the province. While nothing has been confirmed to date, we are looking to hear from individual communities regarding their experience.

Please contact Dustin Austman, Advocacy Advisor, at advocacy3@suma.org or 306-525-4321.

Seeking Feedback: Amendments to the *Planning and Development Act*

The Ministry of Government Relations is considering potential amendments to the *Planning and Development Act* and is inviting input over the coming months. The Ministry is seeking to further explore the following planning and development-related matters:

- Timelines
- Fee bylaws
- Enforcement
- Contract zoning
- General amendments that improve the clarity and efficiency of the legislation

If you would like to ensure your municipality's feedback is incorporated, please contact Dustin Austman, Advocacy Advisor, at advocacy3@suma.org or 306-525-4321.

Capacity Building Opportunities

MuniCast S11:E3 Building Stronger Communities: Municipal-First Nations Collaboration

What does meaningful collaboration between First Nations and municipalities look like in practice?

In ***MuniCast S11:E3, Building Stronger Communities: Municipal-First Nations Collaboration***, Bonnie Evans, Senior Advisor, and Brad Swiftwolfe, Executive Director, both with the Battlefords Regional Community Coalition (BRCC), share the story of BRCC and the lessons they've learned about building trust, creating partnerships, and working together toward a stronger future.

The BRCC is a groundbreaking partnership that brings together six First Nations and two municipalities. Beginning with informal conversations in 2017 and formalized in 2019 through the Sacichawasihc Relationship Agreement, the coalition has become a model for regional collaboration and was recognized with a 2019 Saskatchewan Municipal Award. In this episode, they discuss how the coalition was formed, the ongoing work of building trust and understanding, and the collaborative projects helping to strengthen the region. Listeners will gain valuable insights into creating meaningful partnerships, fostering inclusion, and building communities that are stronger together.

View the Sacichawasihc Relationship Agreement here.

View the Sacichawasihc Relationship Agreement Saskatchewan Municipal Awards winners video here.

MuniCast is available on all major podcast platforms, including Apple Podcasts, Spotify, Amazon Music, and YouTube. Keep an eye on member emails or subscribe to ***MuniCast*** on your platform of choice to be notified when the latest episodes are released.

Recap: Virtual SUMA Advocacy Forum

Last week, SUMA held the first ***SUMA Virtual Advocacy Forum*** as an opportunity for Saskatchewan's municipal leaders to engage directly with provincial Ministers outside of the annual SUMA Convention.

We were pleased to offer four Dialogue with Ministers Sessions:

Ministry of Social Services, RCMP
Honourable Terry Jenson, Minister of Social Services, and Robin McNeil, O.O.M., Assistant Commissioner, Royal Canadian Mounted Police

Ministry of SaskBuilds and Procurement, Ministry of Highways
Honourable Kim Gartner, Minister of Highways, and Honourable Sean Wilson, Minister of SaskBuilds and Procurement

Ministry of Environment
Honourable Darlene Rowden, Minister of Environment

Ministry of Government Relations
Honourable Eric Schmalz, Minister of Government Relations

We had 84 attendees from SUMA's member municipalities, including cities, towns, villages, resort villages, and northern municipalities. Issues raised in the dialogue sessions were wide-ranging, including ongoing RCMP recruitment efforts, mental health and addictions, homelessness, recycling and landfill decommissioning, infrastructure funding, and more direct financial assistance for municipalities, among other topics.

Thank you to our municipal leaders for bringing forward your local priorities; it is vital that SUMA's advocacy is shaped by your concerns and that provincial leaders hear directly from you. Thank you as well to our Ministers and Assistant Commissioner McNeil for attending the forum. Your presence showed your commitment to transparency and open dialogue with local leaders.

Virtual Workshop: Emerging Trends in Municipal Law

Join us online on **Wednesday, October 21** from **8:30 a.m.** to **12:15 p.m.** to learn about the latest legal insights and current issues relevant to municipalities across the province. Presented by lawyers from Brownlee LLP, the virtual workshop ***Emerging Trends in Municipal Law*** will provide municipal leaders with high level overview of key legal principles impacting governance and risk management strategies tailored to Saskatchewan's municipal landscape.

Topics include:

- Protecting municipalities from internal fraud
- Duty of care
- Regional governance
- Employer rights and obligations relating to off-duty misconduct

The morning will end with a Bearpit style session for attendees to ask presenters additional questions.

This event is exclusively for SUMA members. There is no cost to attend.

Webinar: Level Up Your Asset Management

Are your asset management practices stagnant? Do you need guidance or resources for ways to take action or improve asset management communication? Are you applying for grant funding and need to demonstrate climate adaptation, resilience or asset management considerations?

On **Thursday, October 22 at 10:00 a.m.,** join us for the webinar, ***Level up your Asset Management with the AM Prairie Support Program***, to learn about the FREE support offered to eligible communities through the Asset Management Prairie Support Program. Learn how your organization can benefit from participating, register, and get started. If you already have a project in mind, this webinar will also cover how to apply to the Climate Ready Infrastructure Service (CRIS) to get paired with an expert and start working on an options report.

As a bonus, attendees will also get a preview of how to use the climate adaptation and resilience tools and library of resources that are FREE to everybody on the Climate Insight platform. Learn more about the program here.

SUMA's webinar program is sponsored by SUMAssure. Webinars are free to all SUMA members, there is a fee of $45 + GST and PST for non-members to attend.

Webinar: Using the Sustainable Development Goals to Advance Our Local Agendas

In 2015, world leaders adopted the Sustainable Development Goals (SDGs), an ambitious vision to guide global action on the urgent economic, social, and environmental challenges facing our planet. Since their adoption, the SDGs have increasingly gained attention from municipal leaders as a useful way to connect municipal and community efforts around shared sustainability goals. Municipalities from around the world have used the SDGs to help make local sustainability efforts more comprehensive and coordinated.

While it is well understood that for the SDGs to be successful we must 'localize' them, they do not offer much direction on how to operationalize or integrate them into institutional or corporate processes. In the municipal context, this means finding ways to integrate the SDGs into governance, planning, budgeting, and program implementation.

Join us on **Thursday, November 5 at 10:00 a.m.** for the webinar ***Using the Sustainable Development Goals to Advance Our Local Agendas*** to learn more about the SDGs, how municipalities around the world are finding value in using them, and opportunities for Canadian municipalities to use the SDGs to advance local agendas.

Learn more at www.local-futures.ca.

Strengthen Your Understanding of Treaty Relationships

You're invited to participate in the ***Treaty Learning Journey: Let's Talk Truth (TLJ)*** facilitated by the Office of the Treaty Commissioner (OTC) on **November 16** and **17**. Tailored to SUMA members and municipalities in Saskatchewan, this two-day virtual training is designed to deepen participants' understanding of First Nations communities, Treaties, and our collective role in strengthening Treaty relationships.

Whether you are new to Treaty education or looking to deepen your understanding, the Treaty Learning Journey offers an important opportunity to learn, reflect, and engage in meaningful dialogue.

Mark your calendar for **November 16** and **17**, and join us for this valuable learning experience!

This event is exclusively for SUMA members and affiliate members.
There is no cost to attend.

Saskatchewan Municipal Awards: Nominations Open

Celebrate municipal innovation across Saskatchewan!

Nominations are now open for the 2026 Saskatchewan Municipal Awards until **November 24** at **4:00 p.m.**

The awards shine a spotlight on municipally led projects that are enhancing communities through innovation, collaboration, and positive impact. Recognition is awarded for the province's top municipal, rural municipal, and urban municipal initiatives. The Regional Cooperation Award also honours successful partnerships between urban and rural municipalities working together to achieve shared goals.

Have a project worth celebrating? Submit your nomination and share your municipality's success story.

CONVENTION 2027

Last Chance: Convention Education Session Submissions

SUMA is inviting proposals for education sessions during the 2027 SUMA Convention and Tradeshow at TCU Place in Saskatoon, Saskatchewan April 4 to 7.

Being a presenter is an outstanding way to share your knowledge and expertise, leading to professional visibility, recognition, credibility, and influence in the future of Saskatchewan's urban municipalities. We encourage municipalities with established best practices or partnerships to consider submitting a presentation proposal. We also encourage you to share this call with your networks.

This call is open until October 21, 2026 at 4:00 p.m. Learn more and submit a proposal here.

Last Chance: SUMA Impact Initiative Applications

The SUMA Impact Initiative is designed to foster lasting impact through mutual support, community connection, and educational outreach.

This funding and outreach opportunity is exclusively available to registered non-profit and community-based organizations operating within Saskatchewan that are in need of additional financial and/or community support. Priority will be given to organizations with a province-wide mandate. Organizations such as professional associations, trade groups, or member-funded entities that do not rely primarily on external donations or grants for operational viability are not eligible.

This call is open until October 21, 2026 at 4:00 p.m. Learn more and submit a proposal here.

Updates to SUMA's Service Award Program

Annually, the Board of Directors recognizes individuals who have demonstrated a commitment to outstanding service in the municipal field. SUMA is proud to honour individuals for their outstanding contributions to the development and prosperity of our communities and urban governments in Saskatchewan.

We have made some exciting changes to the Service Awards program for 2027!

- Updated eligbility for the Meritorious and Honourary Service awards to **begin at 20 years and reoccur every 10 thereafter.**
- New **"Excellence in Municipal Service" Award** to recognize those who have done exemplary work on the local level but may not have served on the provincial or federal levels.

Please note that the deadline to submit a nomination for the **Scoop Lewry** and **Excellence in Municipal Leadership Service Awards** is **November 26, 2026.**

The deadline to submit a nomination for the Honourary or Meritorious Service Awards is **January 3, 2027.**

Learn more or submit a nomination here.

OTHER UPDATES

Canada Post Xpresspost Label Price Increase for SUMA Members

SUMA recently advised members of an upcoming price increase for SUMA's Canada Post Xpresspost prepaid shipping labels as a direct result of a significant rise in Canada Post fuel surcharges.

SUMA is now sold out of 1.36 kg labels that were purchased under the previous lower fuel surcharge rate. We have a limited supply of 5 kg labels still available to purchase at the current pricing.

Effective November 1, 2026, or when current inventory is depleted (whichever comes first), prices per package of 25 labels will increase to:

- 1.36 kg Labels: $528.75 per package
- 5 kg Labels: $727.75 per package

A new order of 1.36 kg labels is expected to arrive late this week and will be available for purchase at the higher updated pricing.

Order Shipping Labels

Since our last label purchase, the fuel surcharge applied to Xpresspost labels has increased from **18.5% to 42.9%**, representing a **131.89% increase**. *Please note: The fuel surcharge rates are updated weekly; the rates included here are current as of this update.*

As a result of these substantial increases in shipping costs, SUMA must adjust the pricing of our prepaid Xpresspost labels. While this increase is significant, SUMA's pricing continues to provide members with savings compared to purchasing similar quantities directly from Canada Post.

We recognize that rising costs are challenging for municipalities across Saskatchewan. We remain committed to offering members cost-effective purchasing options wherever possible and are providing advance notice so you can plan accordingly.

For more information regarding Canada Post fuel surcharges, please visit the Canada Post fuel surcharge information page.

Thank you for your understanding and continued support.

If you have any questions, please contact SUMA at suma@suma.org or 306-525-3727.

Stakeholder Information Sessions: SPSA on the Government of Saskatchewan's Adoption of the 2025 National Fire Code of Canada

The Saskatchewan Public Safety Agency (SPSA) is moving forward with the process toward Government of Saskatchewan adoption of the 2025 National Fire Code of Canada.

Please see the attached correspondence for additional information regarding the upcoming adoption, key changes introduced in the 2025 edition, and planned stakeholder information sessions.

SPSA appreciates the continued engagement of our stakeholders throughout the national code development and adoption process.

If you have any questions regarding the 2025 National Fire Code of Canada or the information provided, please contact:

Wayne Rodger
Fire Marshal
Saskatchewan Public Safety Agency
306-227-1696
wayne.rodger@gov.sk.ca

OTC Speaker Series: Treaty for Youth

Join the Office of the Treaty Commissioner and the Western Development Museum for a youth led conversation.

Learn the importance of Treaty education and why it is every Saskatchewan resident's obligation to learn and understand Treaty.

When: October 29 from 1 p.m. to 2:30 p.m.
Where: Western Development Museum (Saskatoon, in-person) and online

For more information or the zoom link for the session, please contact hmorin@otc.ca.

The OTC's Speaker Series takes place the last Thursday every second month.

Private Capital for Climate Adaptation Infrastructure

Canada Infrastructure Bank has produced a white paper on the **potential for private capital to address Canada's growing climate resilience investment gap**.

The paper outlines the key barriers to attracting private investment into resilience infrastructure, including challenges related to revenue generation, risk allocation, and project scale. It also identifies three practical pathways to increase investment:

- Advancing revenue-generating projects that also deliver resilience benefits
- Leveraging utility and municipal service corporation models to finance resilience investments
- Using public funding and financing where private capital is not a viable option

Read the paper here.

Training for Community Safety Officers

Saskatchewan Polytechnic and the Saskatchewan Ministry of Justice have partnered to offer specialized training for Community Safety Officers (CSOs). Employed directly by a municipality or First Nation, CSOs are appointed as special constables to deliver high-priority, low-risk enforcement services.

Key Program Highlights:

- **Statutory Enforcement:** CSOs are authorized to enforce selected provincial statutes.
- **Supportive Duties:** Responsibilities include attending property offense scenes to receive information, conducting preliminary assessments, and liaising with the police agency of jurisdiction as required.
- **Complementary Presence:** CSOs do not replace your primary police service; instead, they provide a trusted, visible local presence through uniformed officers who know your community.
- **Cost-Effective Training:** The comprehensive training program spans just six weeks, significantly reducing financial barriers for communities seeking to establish an additional local presence.

For more information or to apply, please contact Audrey Dore, Program Manager, Policy and Governance Provincial Protective Services Branch, Ministry of Corrections, Policing and Public Safety at audrey.dore@gov.sk.ca.

2026 Paths to Prosperity Provincial Summit & Saskatchewan's Community Safety & Well-Being Forum

The **Saskatchewan Economic Development Alliance (SEDA)** and partners will host the 2026 Provincial Summit on **October 27 and 28**.

The **2026 Paths to Prosperity Summit** "Connecting the Dots" turns promising ideas into realistic initiatives by linking communities, innovators, funders, and community builders.

Saskatchewan's Community Safety and Well-Being Forum will take place before the Summit on October 26.

Learn more and register here.

Why the Targeted Sector Support (TSS) Funding Grant Matters

Municipalities often face resource constraints, administrative hurdles, and governance complexities for starting new or costly initiatives beyond normal operations of the municipality. **Targeted Sector Support (TSS) Grant Funding** directly addresses these issues by reviewing applications to fund **75% of these costs** with the intent to:

- **Encourage Inter-Community Collaboration:** Projects must involve at least one partner municipality or community, fostering regional unity and shared solutions.
- **Enhance Governance and Capacity:** Funding supports training, restructuring, and strategic planning that elevates municipal leadership and administration.
- **Drive Innovation in Service Delivery:** From emergency management plans to regional land use strategies, TSS-funded projects improve efficiency and responsiveness.

Each project can receive up to **75% of eligible costs, capped at $100,000 maximum funding,** making it a high-impact, low-barrier opportunity for municipalities to innovate and grow.

TSS is a portion of Municipal Revenue Sharing ($1.5 million per fiscal year) used to encourage inter-community collaboration, help build capacity and promote good governance in all Saskatchewan municipalities. The funds are used to support projects that help municipalities strengthen their core governance and administration responsibilities

The TSS Steering Committee is now accepting applications for funding under this program. **Applications are accepted at any time of the year and will be reviewed on a monthly basis.**

Please view the intake guide for details on the TSS initiative, project eligibility, and the application process. The online application portal can be accessed here.

Learn About How TSS Can Support Your Community

Partnership with People First HR Provides Assistance to SUMA Members

Does the thought of HR make your head hurt? We get it.

HR issues can be complex and difficult to navigate. That's why SUMA has partnered with **People First HR** to provide group benefit members with HR On Call support and access to 100s of HR templates.

Approved callers can get HR On Call support for topics such as:

- Creating a respectful workplace
- Employee relations
- Managing leaves
- Performance management guidance including employee discipline
- Termination
- Disability management consultation (accommodations, return to work, doctor notes)
- Legislation and best practice
- Requirements for policy development and workplace procedures

Free up time with access to hundreds of HR templates
From recruitment to performance management, policies to respectful workplace (and so much more), with HR On Call you have access to hundreds of FREE HR templates to make supporting your team easier.

To learn more and access templates you need, email People First at hroncall@peoplefirsthr.com

ADVERTISEMENTS

Kinetic GPO is pleased to announce a new competitively solicited and publicly awarded contract RFSO 25-13 for **Equipment Rental and Services** awarded to Sunbelt Rentals and United Rentals of Canada. Whether you need equipment rentals or ongoing maintenance and services, our awarded supplier partners have you covered.

We are also pleased to announce a new competitively bid contract **RFSO 25-12** for Online Business Marketplace for Goods and Services awarded to Amazon Business.

A new contract **RFSO 26-02** for **Electrical Mapping and Geographic Information (GIS) Services with Related Equipment** was awarded to CircuitIQ and Coastal Resource Mapping.

Utilizing cooperative contracts simplifies the procurement process, saves time and money, ensures compliance, and makes purchasing seamless. **All of the contracts available through Kinetic GPO offer a variety of innovative, sustainable, and quality solutions for Canadian educators and public sector organizations.**

For additional information please contact your Kinetic GPO Vice President of Member Experience and Business Development **Dana MacDonald** at dana@kineticgpo.ca.

Websites Built Right the First Time and Cheaper Every Year After

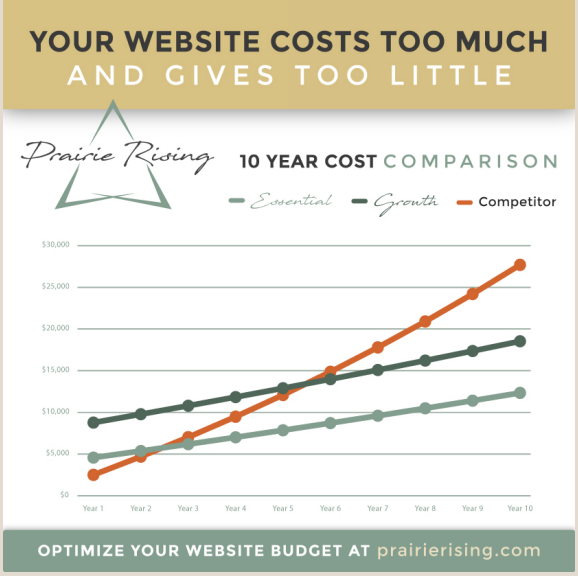
Some municipal website platforms look affordable at signing, then raise their fees 6% every year. Over a decade, that adds up. A **Prairie Rising** website costs more to set up and less to own, saving your municipality up to $14,500 over 10 years.

Every site runs on a modern platform that's quick for staff to update and offers unlimited design options to help your community stand out.

It does more than post bylaws and events. Each site is built for marketing and economic development, with unique landing pages tailored to attract residents, businesses, and investment. When you need help, you'll talk directly to real people who have actually run prairie municipalities and know what a small office juggles day to day.

Less cost. Less staff time. A community that stands out.

Optimize your website budget today. Visit www.prairierising.com/website-design to see what the next level in municipal websites looks like.



Contact:
Nathaniel Puffalt, nathaniel@prairierising.com or 306-481-4883

Reliable Laboratory Analysis. Resilient Saskatchewan Communities.

Saskatchewan municipalities rely on high-quality information and trusted technical expertise to manage compliance, strengthen infrastructure and plan for the future. The Saskatchewan Research Council (SRC) supports these efforts through a range of services, including accredited laboratory analysis.

Environmental analysis for air, water, soil, vegetation, biota and waste materials is offered through **SRC Environmental Analytical Laboratories**, a reliable services provider in Saskatchewan for more than 60 years. The laboratory's extensive scope of CALA-accredited services spans organics, inorganics, radiochemistry and microbiology.

The lab offers a comprehensive range of water quality analyses, such as bacteria, general chemistry, chemical health, toxicity and PFAS testing. Its Permit to Operate (PTO) program helps municipalities stay compliant with Water Security Agency permit requirements.

Beyond water testing, SRC also provides radon testing for both homes and businesses, as well as methamphetamine residue testing. For more information, visit src.sk.ca/analytical or contact analytical@src.sk.ca.
