SUMA Hosts Discussion with Minister of Finance and National Revenue on Federal Budget 2025

On November 20, **SUMA hosted the Honourable François-Philippe Champagne, Minister of Finance and National Revenue, for an insightful conversation on the 2025 Federal Budget.** SUMA President Randy Goulden moderated the discussion, which focused on support for infrastructure, agricultural producers and processors, natural resource and energy industries, trade and export, public safety, mental health, addictions, and housing.

“Saskatchewan’s urban municipalities play a critical role in driving Canada’s economic development, providing necessary infrastructure and services to fuel industry and strengthen our communities,” said President Goulden. “We were proud to host Minister Champagne in our provincial capital and look forward to working together to ensure the Saskatchewan perspective remains central as the Government of Canada implements its budget.”

The event was attended by the Government of Saskatchewan’s Minister of Government Relations, city mayors, and leaders in the municipal sector, business, real estate, infrastructure development, agriculture, and education.

The event took place at the Regina Globe Theatre with support from the Regina Downtown Business Improvement District.

SUMA Hosts Municipal Forum with Government Relations & SARM

Last week SUMA hosted representatives from the **Ministry of Government Relations**, including **Minister Eric Schmalz**, and the **Saskatchewan Association of Rural Municipalities** (SARM) for the **Municipal Forum**.

These discussions are an important part of moving the priorities of Saskatchewan's municipalities, both rural and urban, forward.

SUMA City Mayors Caucus Meets in Regina

The **SUMA City Mayors Caucus** met in Regina on November 19-20, beginning with an **MLA reception** on the evening of the 19th that hosted various MLAs from both the Government and the Opposition, along with the SUMA Board of Directors and mayors and city managers from most of Saskatchewan's 16 cities. On the 20th, the CMC began its meeting by attending our event with the Federal Minister of Finance and National Revenue, François-Philippe Champagne, and then worked through an agenda that included **updates from SUMA's pre-budget advocacy work, our mental health and addictions working group and our legal and legislative working group, and reports on the recent federal budget, SUMA's member survey, and the potential expansion of ridesharing throughout the province.**

Visits with the Town of Rosthern, MP Scott Aitchison

SUMA's President and CEO recently had the opportunity to visit the **Town of Rosthern** with **MP Scott Aitchison**.

Rosthern **Mayor Dennis Helmuth** hosted us on a tour where we visited the site of the planned water treatment plant and the recently opened multi-service medical clinic.

We also met with the **Twin Rivers Economic Development** group, a group of seven urban and rural municipalities that are working to enhance the region's approach to economic development.

Finally, we had a number of important discussions around priority issues for Saskatchewan's urban municipalities with MP Aitchison.

Thank you, MP Aitchison, for your time, and Mayor Helmuth, for your hospitality.

Updates from November Caucus Meetings

Each of SUMA's Caucuses held meetings in November.

At each meeting, Caucus members had a focus group with SUMA's Events and Education team to provide feedback on last year's **Convention and Tradeshow** and input on the 2026 theme and messaging, ideas for keynote and education sessions, suggestions for tradeshow and networking improvements, and other creative ways to enhance the member experience that will support future planning. The agenda also highlighted SUMA's **2026-27 federal and provincial pre-budget asks** and correspondence between SUMA and various Ministers. Further details about each Caucus meeting are below.

Northern Caucus

As this was the first meeting of the Northern Caucus, the focus of the meeting was establishing the main advocacy priorities for the coming year. Policing, housing, healthcare, infrastructure, mental health and addictions, jurisdictional issues, and the need for a proper firefighting strategy were identified, with particular attention noted to the unique needs of SUMA's northern members in these areas. SUMA's advocacy staff will take these priorities forward and begin work on each. Terms of Reference were also approved with minor edits, and La Ronge Councillor Abby Besharah was elected Northern Caucus Vice Chair.

If you would like to connect with your Northern Caucus representatives, they are:

- Chair, Mayor Lyle Herman, Northern Village of La Loche
- Vice-Chair, Councillor Abby Besharah, Northern Town of La Ronge
- Mayor Rick Laliberte, Northern Village of Beauval
- Councillor Sandra Hansen, Northern Hamlet of Stony Rapids

- Mayor Bruce Fidler, Northern Town of Creighton

Village and Resort Village Caucus

The Village and Resort Village Caucus reiterated their main advocacy priorities—infrastructure funding and policing/bylaw enforcement—and confirmed the next six months of advocacy work to advance those files.

If you would like to connect with your Village and Resort Village Caucus representatives, they are:

- Chair, Southwest Region: Mayor Nora McLearn, Village of Neville
- Southeast Region: Mayor Josh Vass, Village of Pangman
- Northwest Region: Councillor Ken Huber, Village of Goodsoil
- Northeast Region: Councillor David Duhaime, Village of Bjorkdale
- West Central Region: Vacant
- Central Region: Mayor Corey Fenets, Resort Village of Thode
- East Central Region: Vacant

Town Caucus

The Town Caucus included healthcare consultation updates and discussion on strategies for Caucus representatives to continue engaging with municipalities in their regions to improve communication.

If you would like to connect with your Town Caucus representatives, they are:

- Chair, Southwest Region: Mayor Michelle McKenzie, Town of Maple Creek
- Northwest Region: Mayor Dennis Helmuth, Town of Rosthern
- Southeast Region: Councillor Greg Wall, Town of Carnduff
- West Central Region: Mayor Deb Winder, Town of Delisle
- Central Region: Councillor Lamatia Robinson, Town of Colonsay
- East Central Region: Councillor Gina Rakochy

City Caucus

The City Caucus discussed resolutions for the upcoming 2026 SUMA Convention and Tradeshow and Sask Recycles.

If you would like to connect with your City Caucus representatives, they are:

- Councillor Kristen Walliser, City of Estevan
- Mayor Rob Muench, City of Humboldt
- Councillor Jason Whiting, City of Lloydminster
- Councillor Spencer Nikkel, City of Martensville
- Councillor Tom Harrison, City of Meadow Lake
- Councillor Doug Mark, City of Melville
- Councillor Jamey Logan, City of Moose Jaw
- Councillor Greg Lightfoot, City of North Battleford
- Councillor Dawn Kilmer, City of Prince Albert
- Councillor Shanon Zachidniak, City of Regina
- Councillor Bev Dubois, City of Saskatoon
- Councillor Leanne Tuntland-Wiebe, City of Swift Current
- Deputy Mayor Kevin Tooley, City of Warman
- Mayor Jeff Richards, City of Weyburn
- Councillor Dustin Brears, City of Yorkton

Call for Caucus Representative Nominations: Town Caucus Northeast and Village and Resort Village Caucus West Central and East Central

The **Town Caucus** is currently seeking nominations for **one vacant position for a Northeast representative**.

The **Village and Resort Village caucus** is currently seeking nominations for **two vacant positions: a West Central representative and an East Central representative**.

Unsure what region you're located in? Search for your municipality [here](#).

The core mandate of the Town Caucus and Village and Resort Village Caucus is to provide a forum for the management of advocacy topics considered relevant to Saskatchewan towns and villages and resort villages, respectively.

The Caucus role includes the following responsibilities:

- Facilitating the meeting of the Caucus
- Identifying and providing advisory input on advocacy topics relevant to member urban municipalities in your sector
- Prioritizing advocacy topics and contributing to the setting of strategies required to advance the advocacy interests of the Caucus
- Providing input on provincial, federal, and/or collective advocacy topics
- Contributing to SUMA's communication efforts with the interest of keeping sector members informed and engaged

The Town Caucus and Village and Resort Village Caucus each meet virtually for approximately 90 minutes on a quarterly basis. Additional participation in events such as the Regional Roadshow and caucus meetings at Convention are also strongly encouraged.

Nominations can be submitted to suma@suma.org. Elections, if required, will take place on January 20, 2026 at SUMA's virtual summit.

Please read the governing policy [here](#).

Nominations close Friday, January 2, 2026 at 5:00 p.m.

2026 CALL FOR RESOLUTIONS
deadline **JANUARY 31, 2026**

REAL District - Regina, Saskatchewan
APRIL 12- 15

SUMA invites members to **submit resolutions ahead of the 2026 SUMA Convention and Tradeshow in Regina, Saskatchewan, from April 12 to 15**. Resolutions are an important way to bring forward issues confronting urban councils that require action by the provincial or federal government or another agency. Members are encouraged to submit resolutions on anything throughout the year. However, the **deadline for receipt of council resolutions for Convention 2026 is January 31, 2026**.

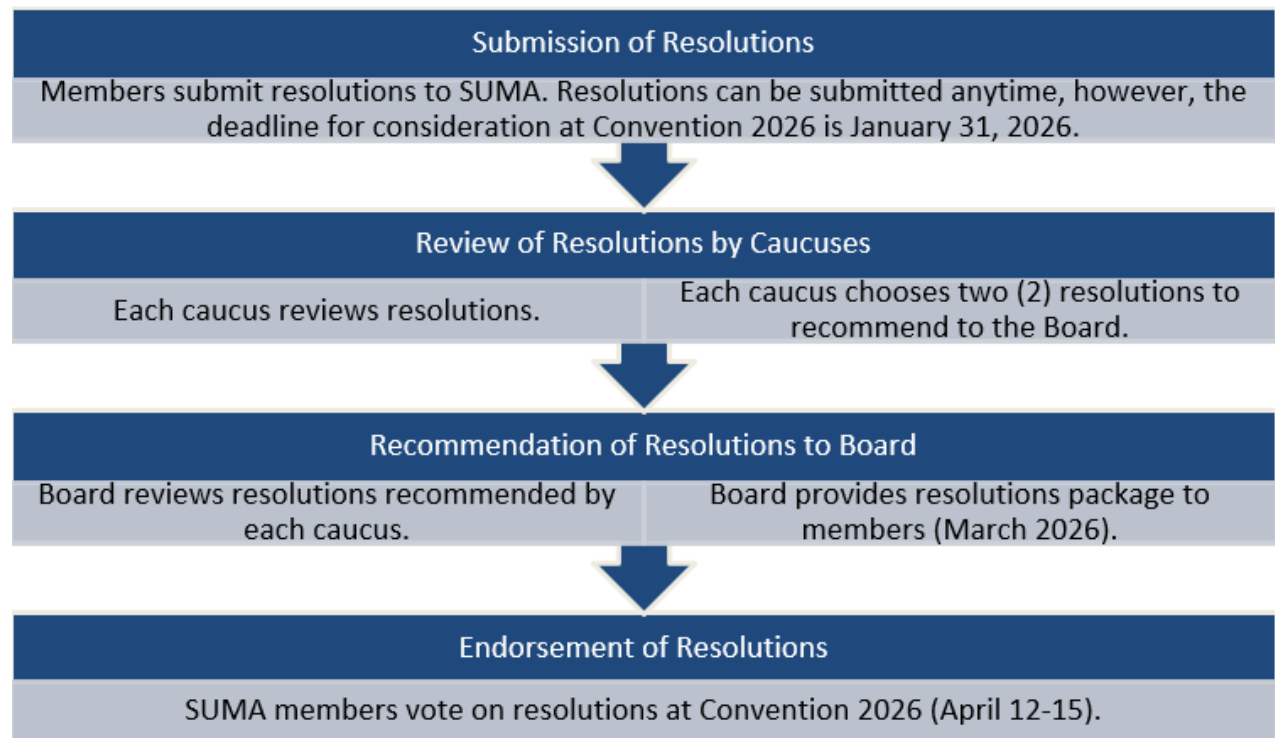

After concerns were raised by members about late resolutions and the inability for councils to discuss these resolutions in advance, only those late resolutions that are absolutely critical and could not possibly have been submitted early enough to be included in the Convention package will be brought forward, and only then with justification for why it is both urgent and emergent. Any other late resolutions will be considered by the SUMA caucuses after Convention.

Members are encouraged to review the [Resolutions Policy](#) before crafting their resolution.

Read the Full Call For Resolutions and Learn How to Submit

SUMA's move to a caucus model of governance has resulted in related changes to our resolutions process. While in previous years, we have had a resolutions committee review and recommend resolutions to our Board of Directors, this function will now be taken on by our sectoral caucuses. **Members should still forward their resolutions to the SUMA office in Regina, but it will be our caucuses that review and make recommendations to the Board as to which resolutions should proceed to the Convention floor.**

The number of proposed resolutions to be voted upon at Convention from each caucus has been limited to two. The caucuses may still choose to work independently on additional resolutions without full membership endorsement (i.e., resolutions that have not been brought forward and passed at Convention).

While this represents a substantial change for our membership, it is meant to emphasize the intent of our Convention resolutions session: to bring additional media and government attention to those resolutions that will best benefit from that attention. Not every resolution requires this level of attention; many are better dealt with internally in discussions between SUMA elected officials or SUMA staff and their counterparts in the provincial and federal government. Members will still retain the ability to bring their concerns forward through resolutions, in addition to many opportunities provided through engaging with your caucus representatives, contacting SUMA staff, or attending our numerous events, including Convention.

Once resolutions have been recommended to the Board by each caucus, the Board will review and provide a package to all members in March 2026.

CAPACITY BUILDING OPPORTUNITIES

2026 CALL FOR PROPOSALS

deadline **December 2, 2025**

REAL District - Regina, Saskatchewan
APRIL 12- 15

SUMA is inviting proposals for the **SUMA Impact Initiative**. The selected organization will receive a \$1,500 donation and be promoted throughout the 2026 SUMA Convention in Regina. In addition, SUMA will provide table space in the Convention lobby for sharing information and delivering hands-on training.

The SUMA Impact Initiative is a **new program designed to foster lasting impact through mutual support, community connection, and educational outreach**. This funding and outreach opportunity is exclusively available to registered non-profit and community-based organizations operating within Saskatchewan. Priority will be given to organizations with a province-wide mandate.

The call will be open until **December 2, 2025**.

SUMA Service Awards: Nominations Now Open!

Annually, the Board of Directors recognizes individuals who have demonstrated a commitment to outstanding service in the municipal field. SUMA is proud to honour individuals for their outstanding contributions to the development and prosperity of our communities and urban governments in Saskatchewan.

The **Meritorious Service Award** is granted to municipal employees in Saskatchewan urban municipalities who have served 20 years or more of employment. It recognizes their career

success, dedication, and involvement in their local community.

The **Honorary Service Award** recognizes elected officials in Saskatchewan urban municipalities who have served 20 or more years on municipal council. It recognizes their long-term dedication to, and involvement in, their local communities.

Nominations will remain open until midnight on **January 4, 2026**.

OTHER UPDATES

Showcasing Saskatchewan's Agricultural Industry: SUMA at Western Canadian Agribition

SUMA was a proud sponsor of the **Canadian Western Agribition** in Regina, November 24-29. Agribition showcases Saskatchewan's agricultural industry—from livestock and grain to equipment and technology—that helps to drive our economy.

From the smallest villages to the largest cities, **urban municipalities support agriculture through manufacturing, processing, and services producers need to get their products to market.** In turn, producers fuel economic growth in our urban communities and across Saskatchewan, exporting cattle, grain, oilseeds, equipment, technology, and more to 161 countries. At the tradeshow, **we connected with partners like the Saskatchewan Community Foundation and met business owners from SUMA's member municipalities**, many of whom also exhibit at the SUMA Convention and Tradeshow.

Agribition also strengthened SUMA's international relations. At the **Premier's Reception**, we met the **High Commissioner of India to Canada**, His Excellency Shri

Dinesh K. Patnaik, as Saskatchewan explores export opportunities for yellow peas and other agricultural commodities that will benefit urban municipalities involved in agricultural processing and services. We attended the **International Reception**, featuring remarks from Saskatchewan's Minister of Trade and Export Development and world-renowned livestock producers from Saskatchewan, western Canada, and around the world. **Amid trade uncertainty, promoting Saskatchewan's agricultural sector and the communities that support it is more important than ever.**

SUMA President Randy Goulden Recognized with 2025 Women of Influence in Local Government Award Honourable Mention

We are proud to share that **SUMA President**

Randy Goulden has received a **2025 Women of Influence in Local Government Award Honourable Mention** by Municipal World, the longest continually published municipal magazine in the world. President Goulden is one of two honourable mentions across Canada, recognized for demonstrating leadership, fostering collaboration, inspiring community confidence, and advancing long-term vision and growth strategies and social responsibilities.

Congratulations, President Goulden!

SUMA Member Survey Launched: Share Your Feedback

SUMA has developed a **membership needs and priorities survey** in order to connect with our member municipalities to assess the most important issues and opportunities for SUMA to address in the coming years. **SUMA is a member-focused organization**: as an elected official or municipal employee, your feedback is important to determine future improvements and opportunities.

The survey was launched last week and will remain open until **December 19**. The survey should only take 10-15 minutes of your time.

The survey link can be found in an email sent out to all SUMA members on November 24, 2025.

Please contact communications@suma.org if you did not receive the email invitation.

Why the Targeted Sector Support (TSS) Funding Grant Matters

Municipalities often face resource constraints, administrative hurdles, and governance complexities for starting new or costly initiatives beyond normal operations of the municipality. **Targeted Sector Support (TSS) Grant Funding** directly addresses these issues by reviewing applications to fund **75% of these costs** with the intent to:

- **Encourage Inter-Community Collaboration**: Projects must involve at least one partner municipality or community, fostering regional unity and shared solutions.
- **Enhance Governance and Capacity**: Funding supports training, restructuring, and strategic planning that elevate municipal leadership and administration.
- **Drive Innovation in Service Delivery**: From emergency management plans to regional land use strategies, TSS-funded projects improve efficiency and responsiveness.

Each project can receive up to **75% of eligible costs, capped at \$100,000 maximum funding**, making it a high-impact, low-barrier opportunity for municipalities to innovate and grow.

TSS is a portion of Municipal Revenue Sharing (\$1.5 million per fiscal year) used to encourage inter-community collaboration, help build capacity and promote good governance in all Saskatchewan municipalities. The funds are used to support projects that help municipalities strengthen their core governance and administration responsibilities.

The TSS Steering Committee is now accepting applications for funding under this program. **Applications are accepted at any time of the year and will be reviewed on a monthly basis.**

Please view the [intake guide](#) for details on the TSS initiative, project eligibility, and the application process. The online application portal can be accessed [here](#).

Upcoming SUMA Membership Renewal Notices

SUMA will be sending out Membership Renewal notices in early December. Members should watch their email inboxes for the renewal invoice. Please contact us with any questions or if you do not receive your notice.

Important Changes Coming to SUMA Payments

As of December 31, 2025, SUMA will no longer issue cheque payments. All payments will be made via EFT, including refunds (including during Convention).

Banking information will be requested from our members if payments or refunds are needed.

Saskatchewan Infrastructure Summit and Trade Show

On **December 3 and 4, 2025**, the **Saskatchewan Heavy Construction Association** is hosting an industry summit for Saskatchewan. Bringing together contractors, suppliers, engineers and other professionals, this 2-day event will feature technical sessions across a broad sector of industry applications including infrastructure and transportation.

A multi sector trade show will run concurrently with the program. Together we can position Saskatchewan to be the enabler of provincial, regional and national economic growth through trade, while strengthening domestic fiscal power and supporting national security. Become a collaborator of this important event as either a sponsor, exhibitor, delegate, or all three!

Weed and Pest Control: Updates from Ministry of Agriculture

The Saskatchewan Ministry of Agriculture has two reminders for urban municipalities.

1. **Annual appointments for Weed Inspectors and Pest Control Officers** are to be sent to the Ministry of Agriculture at the beginning of each calendar year. Please send the appointment letter to the Ministry by email to crops@gov.sk.ca and include:

- The appointed official's name
- The appointed official's contact address, including phone number and email if available.

Appointments expire December 31 each year, so please set a reminder to send in appointment letters in January each year.

2. **Annual weed and pest reports are due to the Ministry of Agriculture** (crops@gov.sk.ca) by **December 31** every year.

- Appointed weed inspectors are to prepare and deliver an annual weed report using a provided template along with copies of any agreements made and orders issued, to the municipal administrator. A copy is then forwarded to the Ministry of Agriculture.
- Municipalities are to prepare and submit an annual pest report using a provided template. This report should include details of pest or nuisance pest reports and notifications, agreements made and orders issued, fines issued and summaries of any appeals. You may also include relevant reports from your appointed pest control officer.
- You can access the annual report template for the weed report here- [Weed Inspectors in Saskatchewan](#) and for the pest report here- [The Plant Health Act and The Plant Health Regulations](#)

If you need a sample appointment letter, annual report templates or have any questions, please get in touch with the Ministry of Agriculture at crops@gov.sk.ca or 306-787-4660.

Solid Waste Management Strategy: Invitation to Provide Feedback

In 2020, the **Ministry of Environment** released the **Solid Waste Management Strategy** to address the ongoing challenges in waste management, identify potential new economic opportunities for industry, and outline the government's commitments for action. The strategy sets goals and priorities, establishing the government's direction and commitment to solid waste management.

The strategy is now up for its five-year renewal. A renewed strategy will build on our achievements and identify new opportunities to enhance waste management in Saskatchewan.

The ministry invites you to review the discussion paper and provide your valuable feedback by January 15, 2026. The discussion paper, a survey, and contact information can be found [here](#).

The ministry will also be hosting an online engagement session on December 2. You can register [here](#).

The ministry will review the responses and report back on what we heard. This report will be emailed to stakeholders and posted on the Government of Saskatchewan website once completed.

Thank you for your assistance in helping to enhance the Saskatchewan Waste Management Strategy.

SUMA's Pet Tag and Animal Control Products Program is Ending

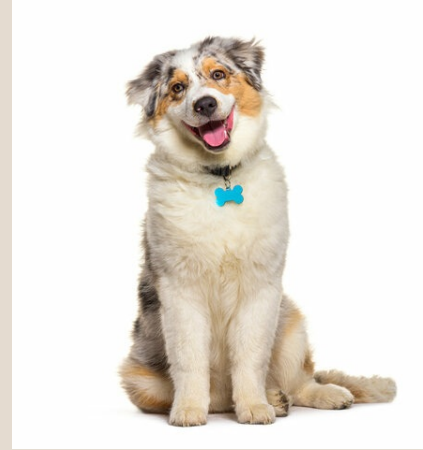

Since 2008, SUMA has provided members with **pet tag and animal control products** from Ketchum Manufacturing Inc. When this program was established, there were limited options for our members to find these types of supplies. SUMA stepped in to provide this program, offering a much-needed service to ensure pets are safely managed in your communities.

In today's online world, there are now many options to order pet tag and animal control products at competitive prices, so SUMA's

role in managing this program is no longer needed moving forward.

We will be discontinuing the Ketchum pet tag and animal control products program as of December 31, 2025.

To place an order for products before the program ends, please visit our website.
