

SUMA represents Saskatchewan's hometowns with urban governments that spend over \$1.2 billion collectively each year. The annual SUMA convention and tradeshow hosts an average of 1,000+ delegates consisting of elected officials, CAO's, private sector, and provincial and federal leaders. At the 2022 SUMA Municipal Marketplace Tradeshow, connect with these decision makers, in-person. Join us April 3-6, 2022 in Regina!
