## Emerging Issue: Canada Post Review

The Canadian Union of Postal Workers (CUPW) has contacted a SUMA member for support for maintaining Canada Post as a public service. SUMA is aware that if Canada Post is privatized, municipalities could face challenges such as higher costs, reduced services, labour disputes, and more. We believe we can play a role in this by formally addressing municipal concerns and advocating for public review and stakeholder review before any changes are made.

We encourage municipalities to participate in the following ways:

- If your municipality has been contacted by CUPW, hold council discussions and determine a stance on the issue.
- Consider writing letters to the Federal Government outlining concerns and impacts on your municipality. Correspondence can be directed to [steven.mackinnon@parl.gc.ca](mailto:steven.mackinnon@parl.gc.ca)
- Monitor policy developments and stay up to date on the issue.

## SUMA hosts delegation from Bénin as part of FCM PMI-WILL Project

Earlier in February, SUMA was

pleased to welcome a delegation from Association Nationale des Communes du Bénin as part of the Federation of Canadian Municipalities PMI-WILL Project. This visit was part of a successful exchange wherein SUMA delegates visited Benin several times last year.

In addition to hosting them at SUMA for conversations around the ways our organizations can learn from one another, the group had the opportunity to meet and chat with SUMA President Randy Goulden, received a presentation from leaders of SUMA partner, the Assemblée Communautaire Fransaskoise (ACF)

about women leadership in the ACF, and take in some educational tourism in and around Regina such as the Buffalo Wastewater Plant and the RCMP Depot.

## Meeting with Minister of Energy and Resources

SUMA's executive was pleased to meet with newly appointed Minister of Energy and Resources, the Honourable Colleen Young.

Discussions were held around tariffs, the PST on construction and the need for a new tri-party infrastructure agreement, and the potential for additional resource development in Saskatchewan — especially critical minerals in

northern Saskatchewan.

We look forward to continuing these important conversations.

**REGISTRATION FAQs FOR MEMBERS**

**BEFORE YOU BEGIN**

You'll need to gather the details for all attendees from your municipality before you begin the registration process. As soon as you enter a delegate in the registration system they are considered registered — even if you don't complete their registration. **Only enter delegates that have confirmed their attendance.**

Here is a list of details you'll need to gather and confirm before you start:

**The Basics**

- Who is in charge of registration? Your municipality will be registered as a group and not as individuals, so it is important to assign one person (such as a CAO, administrator, or clerk) to handle the registration process.
- Who is attending from your municipality? Make sure you have the correct spelling of their names and email addresses.
- What category will each attendee fall under?
  - Voting delegates
  - Non-voting delegates
  - Municipal employees/tradeshow observers - municipal employees wishing to attend the tradeshow only. (Municipal employees are able to attend the tradeshow for free but must be registered as a tradeshow observer in the convention registration system.)
- How many voting delegates are allotted to your municipality and which council members will be assigned voting privileges?
- Will your council members be attending in-person or participating online? Make sure you know the preference of each council member you are registering.
- NEW!** As a part of our We are Urban campaign, SUMA will be gifting a t-shirt to each in-person delegate to celebrate the strength of our communities and our unity as part of the urban family. Please check with your delegates and let us know their preferred t-shirt sizes.
- What education, breakout, and dialogue sessions will each of your delegates attend? See the promotional brochure for more details.
- Are your in-person delegates interested in participating in one of the two optional excursions? See the promotional brochure for details on the excursions.
- Will you need additional event tickets? One ticket to the Welcome Reception and President's Gala is included in each delegate registration. Additional tickets for the Welcome Reception can be purchased for \$75. President's Gala tickets can be purchased for \$100 per ticket.

**Special Circumstances**

Does your municipality have to register a SUMA Board member? If yes, you should have received a promotional code. If not, please contact Heather Vanderaa at 306-525-4391 or [heather.vanderaa@suma.org](mailto:heather.vanderaa@suma.org).

Are any of your attendees receiving a service award? (This would include Honorary Service, Meritorious Service, Scope Levy, and Life Membership awards.) If you have award recipients, you should have received a promotional code. If not, please contact Cheryle Seyen at 306-525-4391 or [communications@suma.org](mailto:communications@suma.org).
